Letter No 551/WAD I dated 16-12-1936 from the Comptroller to Govt suggesting for considn whether interest at 4½ per cent may not be levied on amounts due to Govt by the Municipalities on account of works done on their behalf, as in the case of District Boards

DL 1½x

/ In G o No L 99-117/LB 104-35-2 dated 4-7-1936 it has been directed that the interest on overdrawals by the Dt Boards in respect of amounts overdrawn in adjusting the outlay on works of the Boards by the P W D be reduced from 6 per cent to 4½ per cent temporarily

2 The Comptroller states that on several occasions there was delay in payments of amounts due to Govt by the Bangalore City Municipality on account of water supply and that the Municipality is not also prompt in discharging its liabilities to the Water Supply Department for other works done on its behalf

3. He therefore suggests the adoption of a rule ~~similar~~ as in the case of the Dt Boards to the Bangalore and Mysore City Municipalities and other Municipalities

Bangalore City Municipality, the exact amount to be due by them was ~~[illegible]~~ under correspondence for a long time ~~[illegible]~~ and it was only very recently that the correct amount was arrived at. In the case of the Mysore City Municipality the matter is still under correspondence and has not been decided yet.

4 Unless the Comptroller brings to notice specific instances of inordinate delay in the adjustment of dues by the Municipalities, ~~[illegible]~~ it may not be desirable to ~~adopt~~ lay down a ge[neral rule] levying interest at 4½ per cent on the overdue amounts. Besides, in the case of other Municipalities, the works undertaken by Govt Departments on behalf of these Municipalities may be only very few in number and such a rule may also work as a great hardship on them.

Re: Payments due by the Bangalore City Municipality to Government in respect of water charges, works dine etc

**

I have the honor to state that it was observed on several occasions there was delay in payments of amounts due to Government by the Bangalore City Municipality on account of water supply and these delays have been reported to Government and included also in para 144 of the Audit and Appropriation Report for 1934-35. A sum of Rs 61,522-11-0 was found due on 1-7-36 by this Municipality I enclose herein as an instance of delay a copy of letter No 1258 dated 11-12-36 received from the Executive Engineer Water Supply Division regarding one lakh of rupees due for the quarter ending September 1936

The Municipality is not also prompt in discharging its liabilities to the Water Supply Department for other works done on its behalf and a sum of Rs 1,06,858 was due on 1-7-36 by this Municipality on this account

In this connection, reference is invited to G O No L 99-147/L B 104-35-2 dated 4-7-36 in which a levy of 4½% as interest is approved on the amounts not received from District Boards on account of works done on their behalf Whether a similar rule should not also be followed in the case of Bangalore and Mysore Municipalities as well as other Municipalities is suggested for consideration and orders of Government

SIR

With reference to you letter No L 5144-53 dated the 19th January 1937 forwarding copy of letter No 551/W A D I dated 16th December 1936 from the Comptroller suggesting the levy of interest at 4½ per cent on overdue amounts payable to the Government by Municipal Councils on account of works executed by Government Departments and asking me to obtain and forward the resolutions of the Municipal Councils in this District I have the honour to forward herewith the resolutions of the marginally noted Municipal Councils in the matter The Town Municipal Council of Sagar are in favour of the proposal while that of the Shikaripur Town have resolved that interest might be charged at 2½% The other Municipal Councils are not in favour of levying the interest on the ground that the resources of the Municipalities are very slender and that it would be hard for them to pay the same I am of opinion that as the financial condition of many of the Municipalities is not in a satisfactory condition they will not be able to bear the interest charges, if they are ordered to be levied The resolutions of the Municipal Council of Sorab Nyamathi and Chennagiri have not been received in this Office inspite of reminders The Presidents concerned have been

Sub: Payments due by the Bangalore City Municipality to Government in respect of water charges, works done etc.

I have the honor to state that it was observed on several occasions that there was delay in payments of amounts due to Government by the Bangalore City Municipality on account of water supply and these delays have been reported to Government and included also in para 14[illegible] of the Audit and Appropriation Report for 19[illegible]4-[illegible]. A sum of [illegible] 1, [illegible]-11-[illegible] was found due on 1-7-[illegible] by this Municipality. I enclose herewith as an instance of delay a copy of letter No. 1[illegible] dated 11-1-[illegible] received from the Executive Engineer, Water Supply Division regarding one lakh of rupees due for the quarter ending September 19[illegible].

The Municipality is not also prompt in discharging its liabilities to the Water Supply Department for other works done on its behalf and a sum of Rs. 1,[illegible],[illegible] was due on 1-7-[illegible] by this Municipality on this account.

In this connection, reference is invited to G.O. No. [illegible]-47/[illegible] 19[illegible] dated [illegible]-7-[illegible] in which a levy of 4% as interest is prescribed on the amounts not received from District Boards on account of works done on their behalf. Whether a similar rule should not also be followed in the case of Bangalore and Mysore Municipalities as well as other Municipalities is suggested for consideration and orders of Government.
